

## Quarry Veterinary Group Environmental Policy 2021

Quarry Veterinary Group provides a Small Animal veterinary service in Shrewsbury and comprises two RCVS- accredited sites: our main branch on Old Potts Way and a smaller one-vet clinic in Bayston Hill. Only Old Potts Way, our main practice, has been included in working towards the investors in the Environment scheme at this point in time. At Quarry Veterinary Group we take pride in offering a compassionate, dedicated and high-quality service to our clients. We acknowledge that our day to day operations have an impact on the environment and have identified the key aspects that contribute to our environmental and carbon footprint:

- Consumption of electricity, gas and water

- Waste production and disposal
- Paper usage
- Transport of personnel and animals
- Medicines usage and disposal
- Procurement of goods and services contributing to emissions and pollution
